

Niels Freitag - Biography

Name & Institute

Dr. med. Niels Freitag, Private Practice for Aesthetic Medicine

Please write a short biography

During his specialist medical training as anaesthesiologist (University Hospital Bonn, Germany), Dr. Freitag already had a passion for non-invasive aesthetic procedures, in which he underwent intensive additional training.

In 2014, he opened a private practice for aesthetic medicine in Cologne, as well as an affiliated cosmetic institute (since 2017) in addition to his existing anaesthesia practice. He is also a regular speaker (Fa. Cynosure, Network Globalhealth).
